

# NRC Mobile App (Beta)

User Interface Review and Feedback

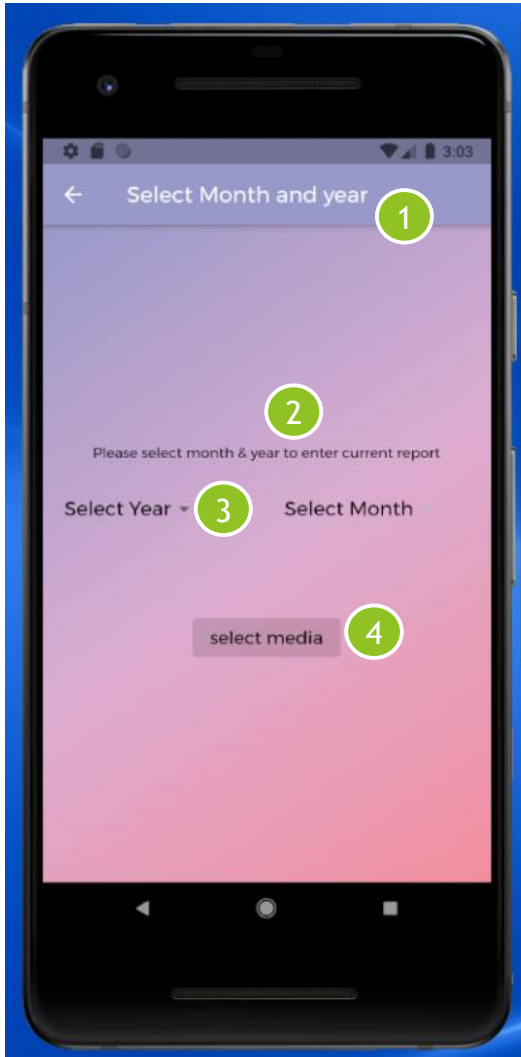

# Login Page

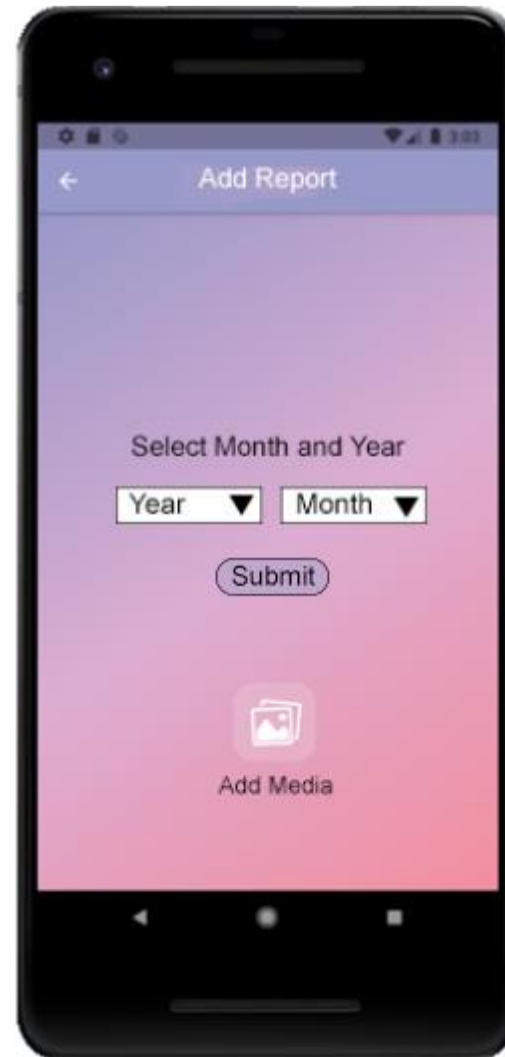

Original Layout

1. Center Align and change label to “Login”
2. Change label to “Login to continue..”
3. Change Registration Successful with S capital. Also bring the text 1cm below the graphics.
4. Ensure that throughout the app none of the labels or button text are in bold.

# Select Month & Year

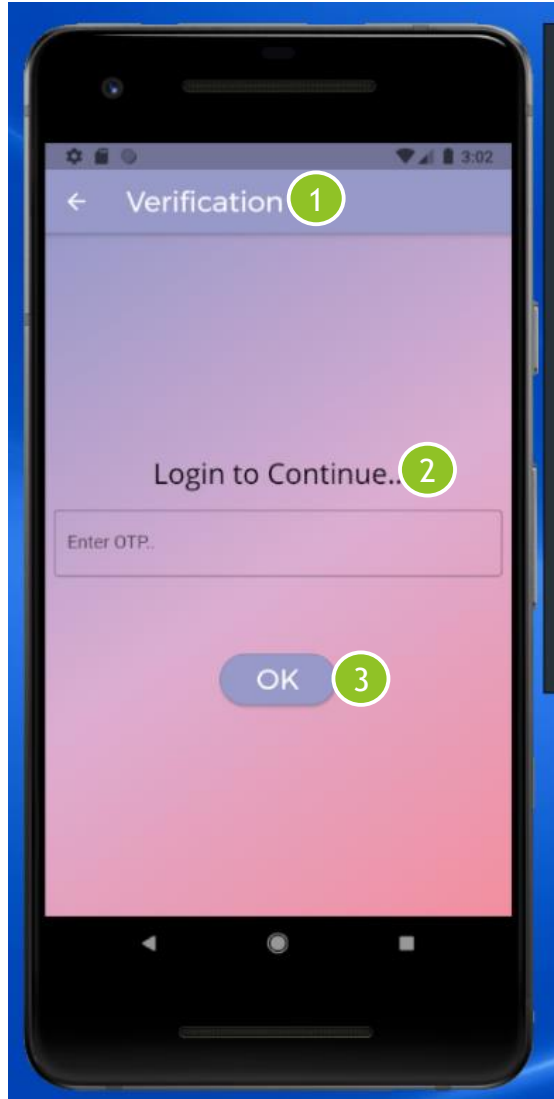

Original Layout

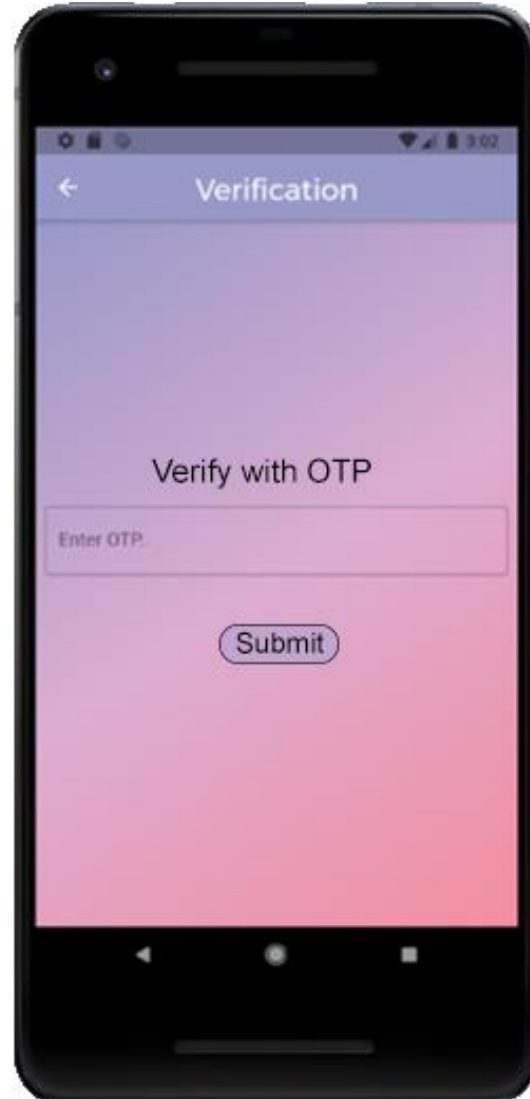

Feedback

1. Change captions as mentioned. Always use small captions.
2. Caption is too small in font. Change caption and increase size.
3. Put a bounding box with color differentiator for Select Year dropdown. User has to feel that this is an input field.
4. Select Media should have S and M caps. You can alternatively use Add Media which is more simpler.

# OTP Verification

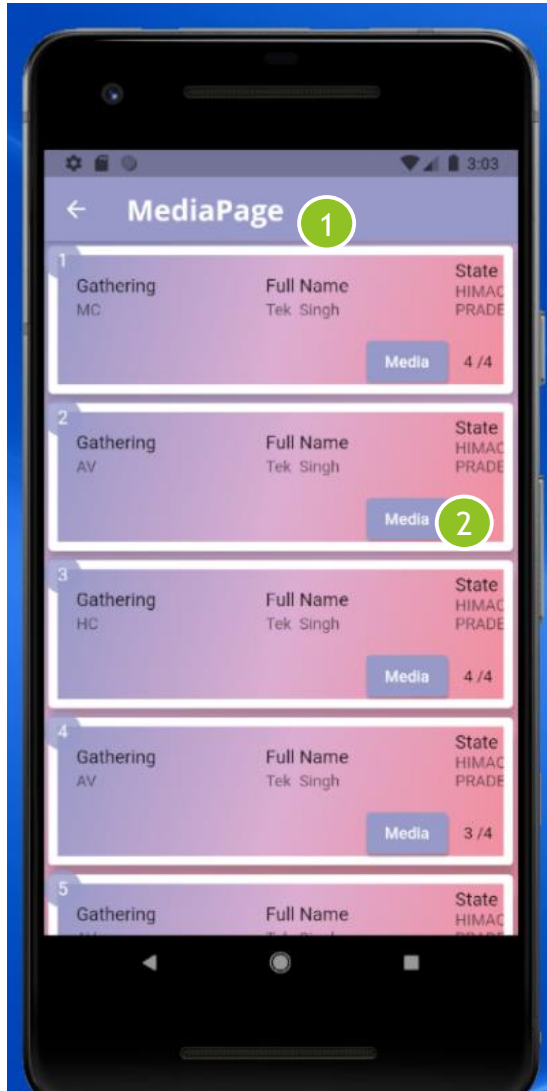

Original Layout

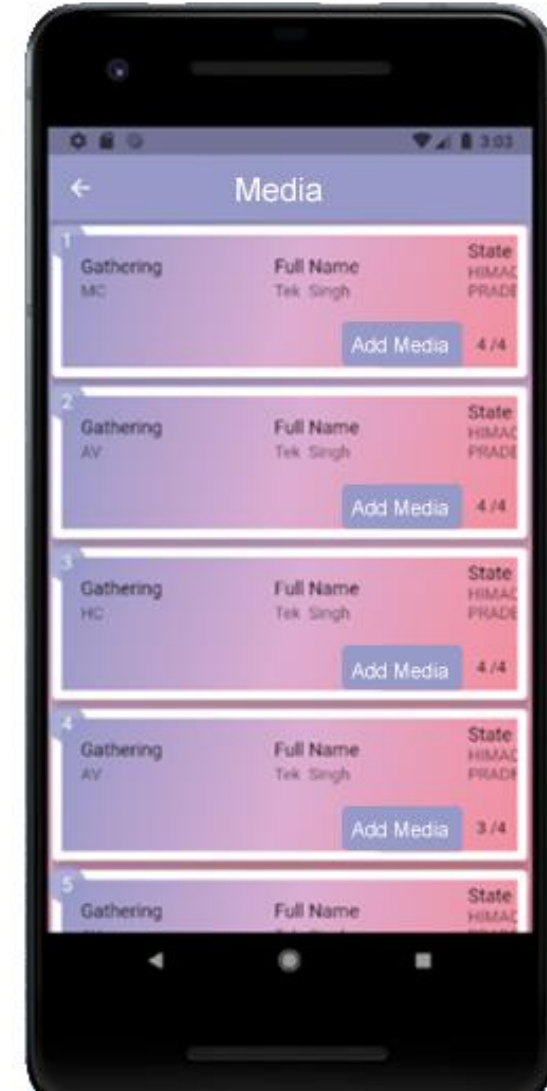

Feedback

1. Center Align
2. Verify your OTP
3. All buttons in the app should be of same size with same text style.

# Media Page

Original Layout

Feedback

1. Center align and change to “Media”
2. Modify label to “Add Media” as user should know where to press to add information.

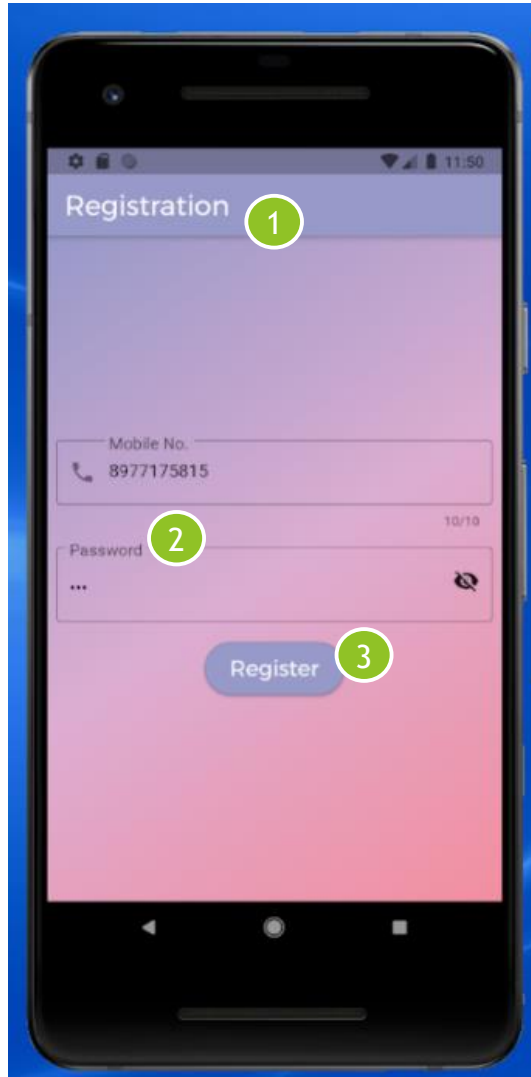

# Add Media Page

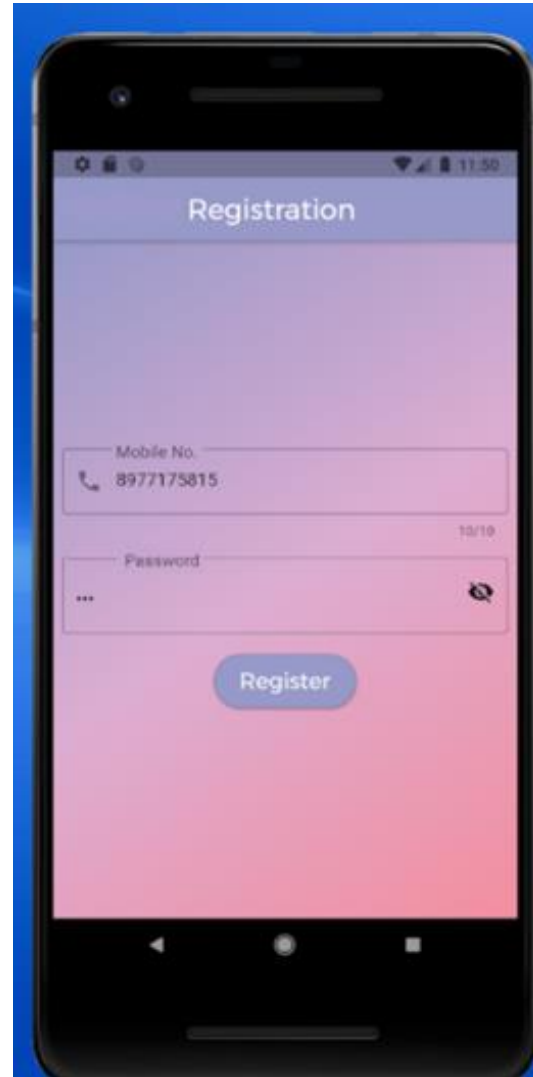

Original Layout

1. Center align and change to “Add Media”
2. F capital
3. Remove all “OR”
4. Suggestion: Reduce the opacity of the rectangles if possible.

# Registration Page

Original Layout

Feedback

1. Center align
2. Maintain consistency in field label formatting
3. All buttons in the app should be of same size with same text style.

# Record Updation Page

The image shows a mobile app interface for updating a record. The header bar is purple with a back arrow, the text 'Homepage', a green circle with the number '1', and a page indicator '1/14'. Below the header, there is a purple bar with 'Add New' and 'Previous Report :- September 2020'. The main form area has a pink-to-purple gradient background and contains the following fields: 'Type :- MC Name :- Tek Singh Year Of Start :- 2020', 'State :- HIMACHAL PRADESH', 'District :- Kullu', 'Block :- Banjar', 'Colony :-', 'Village :- Bandal', 'Habitation :- Bandal', 'Un.Habitation :-', and 'PIN :- 175123'. At the bottom, there are three boxes: 'Total Believers' with the value '17', 'Total Baptism' with the value '0', and 'Average' with the value '17'. A green circle with the number '3' is next to the 'Average' box. Below these boxes is a blue 'SAVE' button with a green circle with the number '4' next to it.

Original Layout

The image shows the same mobile app interface as the original layout, but with several changes. The header bar is purple with a back arrow, the text '1 of 14', and a 'New' button. Below the header, there is a purple bar with 'Previous Report: September 2020'. The main form area has a pink-to-purple gradient background and contains the following fields: 'Type :-MC Name :- Tek Singh Year of Start :- 2020', 'State :- HIMACHAL PRADESH', 'District :- Kullu', 'Block :- Banjar', 'Colony :-', 'Village :- Bandal', 'Habitation :- Bandal', 'Un.Habitation :-', and 'PIN :- 175123'. At the bottom, there are three boxes: 'Total Believers' with the value '17', 'Total Baptism' with the value '0', and 'Average ...' with the value '17'. Below these boxes is a blue 'SAVE' button.

Feedback

1. Center align & Modify Label
2. Format / Rearrangement
3. Average ?
4. "Save" should come at 14<sup>th</sup> record. Till then it should show as "Next"

# Record Updation Page

The image shows a mobile app interface for updating a record. The header bar is purple with a back arrow, the text 'Homepage', a green circle with the number '1' next to it, and a page indicator '1/14'. Below the header, there is a blue bar with a green circle with the number '2' next to it, containing the text 'Add New' and 'Previous Report :- September 2020'. The main form area has a pink background and contains the following fields: 'Type :- MC Name :- Tek Singh Year Of Start :- 2020', 'State :- HIMACHAL PRADESH', 'District :- Kullu', 'Block :- Banjar', 'Colony :-', 'Village :- Bandal', 'Habitation :- Bandal', 'Un.Habitation :-', and 'PIN :- 175123'. At the bottom, there are three boxes: 'Total Believers' with the value '17', 'Total Baptism' with the value '0', and 'Average' with the value '17' (marked with a green circle with the number '3'). Below these boxes is a blue 'SAVE' button (marked with a green circle with the number '4').

Original Layout

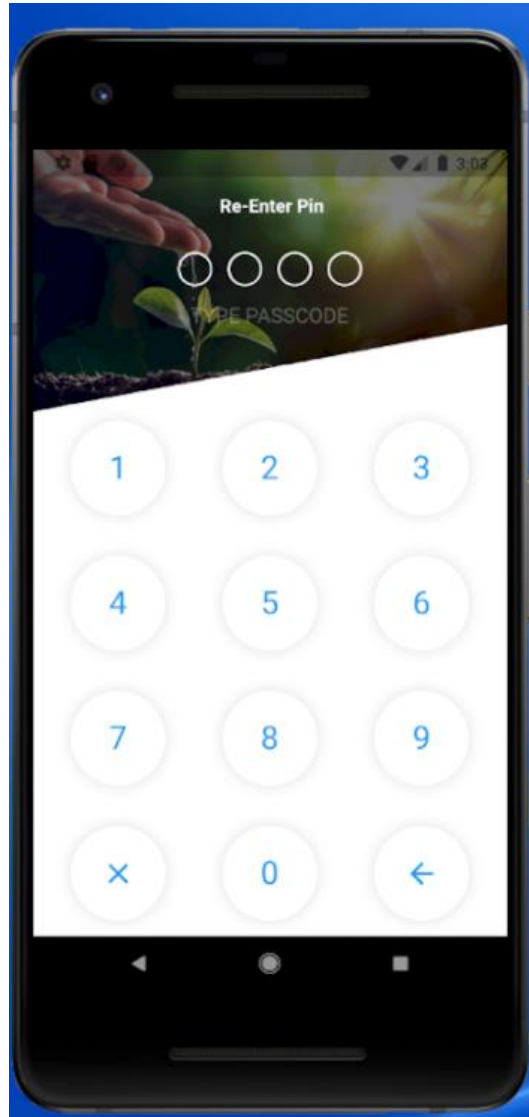

The image shows the same mobile app interface as the original layout, but with feedback changes. The header bar is purple with a back arrow, the text '1 of 14', and a green circle with the number '1' next to it. Below the header, there is a blue bar with a green circle with the number '2' next to it, containing the text 'New' and 'Previous Report: September 2020'. The main form area has a pink background and contains the following fields: 'Type :-MC Name :- Tek Singh Year of Start :- 2020', 'State :- HIMACHAL PRADESH', 'District :- Kullu', 'Block :- Banjar', 'Colony :-', 'Village :- Bandal', 'Habitation :- Bandal', 'Un.Habitation :-', and 'PIN :- 175123'. At the bottom, there are three boxes: 'Total Believers' with the value '17', 'Total Baptism' with the value '0', and 'Average ...' with the value '17' (marked with a green circle with the number '3'). Below these boxes is a blue 'SAVE' button.

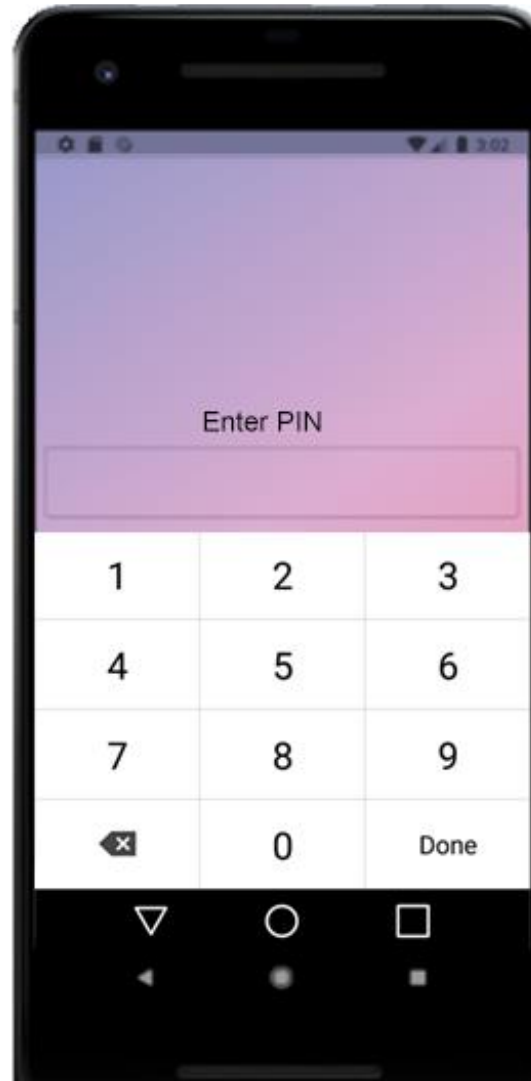

Feedback

1. Center align & Modify Label
2. Format / Rearrangement
3. Average ?
4. "Save" should come at 14<sup>th</sup> record. Till then it should show as "Next"

# Setup PIN Page

Original Layout

Sample

1. The image cannot be changed. Please change the numeric keyboard to any simpler options available in flutter.
2. Alternatively check for
